CARDINAL "67"

Dedication

Mr. Gail Stoaks

Simple words cannot express our feelings
About the person pictured here,
He's more than just a teacher--
A friend who's always near.

He has a sense of honor--
A belief in loyalty and truth,
And hopes his example will make these
The goals of every youth.

He has gained the respect of students
Through his hard work and unselfish ways,
Giving of his time and his talents
To make our school better each day.

I know I shall remember
His kindness throughout the years,
Always willing to join our laughter
Or share a quiet tear.

He guides us with understanding
On the paths we have begun,
And finds his rewards
In the success of everyone.

As through life's pathways we travel,
Discovering the world anew
With deepest thanks for all you have done,
We dedicate this yearbook to you.

# WISDOM

Happy is the man who findeth wisdom,

And the man who getteth understanding,

For the gain from it is better than gain from silver

And its profit better than gold.

She is more precious than jewels,

And nothing you desire can compare with her.

Long life is in her right hand;

In her left hand are riches and honor.

Her ways are ways of pleasantness,

And all her paths are peace.

She is a tree of life to those who lay hold of her;

Those who hold her fast are called happy.

Proverbs 3:13-18.
